

School Sports Funding 2015/16

In 2015/16 St George's CE First School received a grant of £8,815 to improve PE and sport provision.

In spending this grant we aim to:

- Provide high quality Physical Education, health and sporting opportunities for all pupils to inspire them to be physically active;
- Work creatively and coherently to deliver a tailored curriculum that meets the needs of all our learners;
- Develop sporting experiences and skills, providing pupils with good access to a wide range of learning and competitive activities;
- Ensure that best practice is spread effectively through excellent partnership with other local schools and providers of community sport and physical activity;
- Provide high quality training to allow effective delivery in PE lessons to maximise pupil progress;
- Further develop our skilled and highly qualified PE Co-ordinator to continue to promote the strategic direction for PE;
- Develop important characteristics in our pupils, such as resilience, perseverance and confidence.

The table below shows how the funding has been spent and the impact it has had.
