

Everyone in this school tries their best and this is a happy school to learn in. Chyenne

To be the best I can be I have worked harder and tried my best to improve my work. I have done what is good and always tried to be nice to people. I would like to tell visitors that our school makes good choices and does the right things. We all listen to each other. We are all kind to each other and make sure everyone is included with something. Amayah

I would tell visitors that our school is clean and big at friendship. Values show people to be respectful and they show visitors that we are a respectful school and we are. The values help us use kind words. Abubakr

That it's a nice and friendly place. We all show the values that we talk about. Mariyya

Our school is good because the children behave. The teachers are kind. Kai

What our children want to tell you

Our school is clean and tidy. It's amazing, loving and joyful. Nabeel

We are a tidy school, caring and we always forgive. Adeena

I've persevered in my learning by not giving up. I would like to tell visitors that we are a well behaved school that people enjoy coming to. Gracie

Our school is really clean and tidy out and inside the school. We are responsible for our learning and eating, putting rubbish in the bin. Julia

All of us are friends at St. George's. Aayaan

I have been the best I can be by trying hard in all my lessons and trying to make more challenges for myself. I would tell visitors that all the teachers care about us and they take care of us, and they should put their children in this school. Ayesha

I would like to say "Welcome, this school is the best, I've had the best 3 years in this school ever!" Dawid H.
