

Children are well behaved due to excellent discipline.

Staff are very professional and courteous. Teachers work really hard and my child is very happy at school.

I am really happy with how my child is getting on in school. Many thanks to his teacher with all the help and praise she has given him.

Thank you for all the support and hard work you do to bring our children to where they are. It's much appreciated.

We want to say thank you to all teachers who help our child with learning and understand her behaviour.

Thanks to the Friday Fun Club (and yourselves) my child's confidence has grown.

Thank you so much for your loving care of our son. Thanks to you he learnt a lot.

The school is very pupil focussed.

What have you been pleased with this year?

I have been pleased with all the efforts my child's teacher takes to teach her and get the best out of her.

My child has become a lovely, thoughtful, kinder person. I would recommend St. George's because of the school's Christian values.

I have been pleased to see how eager my son is towards education.

I would really like to say thank you to my child's teacher as she really understood and supported him. I can't praise her enough; she is a brilliant teacher and a great asset to St. George's First School.

All the staff are always there to help the children and are there for the parents.

Excellent school. Great staff.

I am very pleased with my child's report. His progress has been amazing, thanks to the brilliant teachers and assistants. He always tells me about his day and has really enjoyed learning all the different subjects. Thank you all for your hard work and dedication.
