## Inspiring Reads

### Books to read, before you leave....

#### These books were implemented to:

Engage more children in reading for pleasure	Increase knowledge of current books and authors	Increase expectations in reading a range of books at the correct age level
--	---	--

#### These books should be:

Highly valued and talked about
Constantly used
Motivational and rewarded
Accessible to pupils
Re-read in Early Years and Key Stage One
Mapped against the curriculum where possible

#### The impact of these books will be measured by:

What children say about why we have these books		
How many children say they have read	How many children say they have had read to them	How many authors children can name
Which books children would like to read/hear	Which ones are their teachers' favourites and why	Which ones are their favourites and why
