Parents/Carers

World Book Day – Friday 5th March 2021

We are celebrating **World Book Day on Friday 5th March.**

We have decided **not to dress up this year** but instead will be doing some work around a book called **Journey**.

Journey is a book that has no words so it can be used by all our children and families. You can see a video of the book by using this link: [JOURNEY by Aaron Becker - YouTube](#)

Children at home and at school will be joining together to do similar activities and we will be producing a video of the day to share the following week. Please **send in photos and videos to teachers** of the learning that they do on the day.

Class teachers will be in touch about what we have planned for the day.

Reading is one of the most important things that we learn to do. Your child will only be a good reader if they learn in school **and** practice at home. Your child should read **at least 3 times a week at home** and celebrating World Book Day can be a part of that.

We cannot wait to celebrate our love of reading at St George's and share the day with you all.

Kind regards

Mr Adam Rivett
Deputy Headteacher
